"Earlham needs a great BEIGNET."

– Jeffrey Easley (1968 - 2020)

Great Aunt Amy's beignet recipe is synonymous with all things good and wonderful. Jeff and Nina Easley maintained the tradition of beignets every Christmas morning (and plenty of others) for family and friends until Jeff's passing in 2020. After losing Jeff, Nina came to the realization that life is short. Joy and friendships are necessities, and beignets have a way of bringing them together.

Nina and Jeff's family roots run deep in Earlham. It seemed a natural fit to bring the love of beignets, coffee and ice cream to the center of town where families and friends can gather.

Grab a friend. Come in, relax, talk about the weather and the crops, solve the world's problems, and enjoy.

Pammel Park Coffee Co. – Winterset, Iowa

You can taste the difference. Pammel Park Coffee roasts small batches of the world's best coffees on their century farm in beautiful Madison County, Iowa. Every batch is prepared to order with precision, to showcase each coffee's unique attributes and flavor profile.
